

Coaches:

As we made you aware of earlier this year, the 2018 season will bring another bat change (first since the 2013 changes) for players in the 7u-14u age groups. There will be more to come on this over the summer and as the new bats become available from the manufacturer's.

However, in 2017 news, USSSA banned some bats this week. Below is the link to the article stating which bats from DeMarini the USSSA banned. These will be banned at all USSSA events immediately as we understand it. Please be aware of this if you are playing any USSSA events.

Demarini is putting together a plan to allow purchases to be returned/exchanged. See the Demarini website for details as they become available.

For purposes of Midwest Ohio Baseball League play, only bats lacking the BPF 1.15 sticker (7-14u) or that are BBCOR 0.50 (7-18u) are out. All bats that have the BPF 1.15 sticker (7-14u) or are BBCOR .50 (7-18u) are legal.
