

Coaches:

We are happy to report that USA Baseball has finally supplied us with the news that Background Checks and the Signs of Abuse Training requirements have been clarified to be required EVERY 36 MONTHS RATHER THAN EVERY 12 MONTHS.

Thus, for any of you who completed the Background checks and/or Abuse Training requirements last year, we will update your on-line check marks over the next two weeks. This process must be completed manually so will take some time. Please be patient. We will get it done.

Secondly, if you have background checks from your organization, work or other places (completed in the last 3 years), attached is the information and forms required for compliance in this instance.

Third, if you have not had a background check within the last 3 years, you must complete your background check and Abuse Training requirements. Once you have sign up for the Background Check, you will be emailed information on the Abuse Training requirements.

Coaches who need Background Checks must go to: <https://opportunities.averity.com/MOBLLC>

Here are the directions once you get logged in and paid:

1. Click on your TEAM and AGE GROUP (Teams are listed alphabetically)
2. Click on either HEAD COACH **OR** ASSISTANT COACH
3. Click on PROCEED
4. Fill out Application
5. SUBMIT

Once you have completed the Background Check, the link to the Abuse Training will be sent to your email.
